Note: According to the Uniform Crime Reporting Program, violent crime consists of four offenses: murder and nonnegligent manslaughter, forcible rape, robbery, and assault. Forcible rape is the carnal knowledge of a female forcibly and against her will and includes assaults or attempts to commit rape by force or threat of force. Statutory rape (without force) and other sex offenses are not included.

\*The 2004 US total crime figures have been adjusted by the FBI. Arizona crime figures for 2004 were not adjusted.

\*\*No figures for 2004 were available.

§No figures for 2005 were available.

§§Because of changes in the state/local agency's reporting practices, figures are not comparable to previous years' data.
